At ResQue International, we believe that diversity and inclusion are catalysts for the meaningful change we wish to see within our communities. We embody this commitment to equity through the diversity of our participants, partners and team members. All have the opportunity and agency to shape our programs and operations. It is our goal to foster an inclusive environment where everyone can feel respected, valued, and supported. Our organization seeks to reduce the disparities within our communities driven by systemic inequality. All are welcome and deserving no matter where you come from, what you look like, or how you identify.
